If possible, Pfizer and Wyeth will fill the signature pages in ourselves. Thanks.

Seth,

I'm hoping to send out a revised Agreement today with updates to contact information. Do you have the name and title of the person who will sign for Pfizer and Wyeth?

Juan,

I wanted to follow up on my email from last week. Pfizer and Wyeth intend to execute the Settlement Agreement. However, Pfizer and Wyeth would prefer to execute a version that has the correct contact information details. In addition, I will be confirming the Pfizer and Wyeth the name and title of the person who will sign for both entities. Once I have that name and title, I will send it to you. Can you please let me know if you will you be able to send me a revised version with correct contact information and an updated signature block?

Thanks,

Seth

A moment ago, I forward the Settlement Agreement to you for signature. Very few changes were made to the previous draft of the agreement. Attached for your convenience is a redline version with the changes made to the earlier draft.
